

PEACE IN PACIFIC, AIM OF JAPANESE, ASSERTS PREMIER

"Ready to Concur in Any
Project for Equitable Armament
Reduction"

TOKIO, Oct. 25.
To The World:
Peace in the Pacific is the insistent cry of the Japanese people. The whole nation is striving to make closer the already firmly cemented ties of friendship with the great people across the Pacific, despite the efforts of malicious mischief-makers on either side to create prejudice and misunderstanding.

Japan's acceptance of President Harding's invitation was actuated by her urgent desire for the heartiest co-operation with the United States in order to realize the lofty ideals which the President had in view. I esteem it also as a supreme opportunity—hopes of which have been cherished for years—to remove all causes of misunderstanding between our two nations.

Japan is ready to concur in any project for the equitable reduction of armaments which is consistent with national security and sincerely hope that the glorious enterprise initiated by your President may be crowned with signal success. In this I am firmly convinced that I am the faithful mouthpiece of the sentiment and expressions of the entire Japanese people.

TAKASHI HARA,
Premier of Japan.

KIDNAPPED SON; PARDONED.

Father's Desire to Possess His
Child Not Criminal, Gov-
ernor Says.

OLYMPIA, Wash., Oct. 27.—George Stagg, former Tacoma newspaperman, convicted a year ago of kidnapping his son, was pardoned here yesterday by Acting Gov. W. U. Cole.

"The desire of a father for the possession and affection of his child does not evidence a corrupt or criminal mind," the Acting Governor said, in announcing the pardon.

Stagg took the boy East, later restored him to his mother and then returned to plead guilty. Betty Brainerd, newspaper woman, was arrested in the East in connection with the case, but was acquitted.

RETURN HAUSER TO ASYLUM.

CHICAGO, Oct. 27.—Arnold Hauser, once a noted shortstop on the St. Louis Cardinals, is on his way back to the High Asylum. He escaped three months ago, since that time he has lived with his sister, but as his mental troubles increased they appealed to the Sheriff. Three deputies met Hauser to-day and offered to take him to see the "World Series." He went with them. One of his eccentricities is cursing phantom umpires.

SCHOONER'S CREW RESCUED

CHATHAM, Mass., Oct. 27.—Seven seamen, members of the crew of the schooner Henry F. Kreger, which was wrecked on Pollock Rip Shoals yesterday, were rescued after drifting several hours in a small boat and brought to a

Coast Guard station on Nantucket. The Captain and mate had previously been taken off by coast guards. The former said the men left the ship against his orders. William Scott, the cook, said they had not returned to the wreck because of the heavy seas, which had torn them away from their vessel. They had no intention of abandoning the schooner finally, he said.
